The Rewards of Escorting:

The patients and clinic staff are grateful to have escorts assist in helping them cope with protester abuse and harassment. Your support, emotional warmth, clear explanations, and rapid guidance into the clinic, protecting patients from direct harassment, can make the difference in their experience today and in their framing of their abortion decision throughout their lifetimes.

Responsibilities include:

- ★ Escorting patients to and from the AWC entrance and parking lot
- ★ Creating an atmosphere of support, safety and control
